

## Story: ALIENS

---

Once upon a time there was a boy. His name was Jack. Jack has a sister. Her name was Milly. Jack liked to scare Milly. He banged on the door and shouted: "aliens, aliens!"

He hid under Milly's bed and made the bed go up and down with his feet and then shouted: "aliens, aliens!"

One night Jack and Milly were sleeping in tents in the garden. Milly's tent door went in and out. Jack shouted: "aliens, aliens!" Milly said: "Don't be silly, I'm not scared of aliens."

Jack went to sleep, but Milly didn't. She made two holes in the box. She put a torch in the box and she put it in a tree. She said: "Good, alien eyes."

Milly put on some slippers. She walked in the mud. She walked down the path and under the tree. She said: "Good, alien footprints."

Milly got into her sleeping bag. She shouted: "aliens, aliens!" Jack woke up. He looked out of his tent and he saw ...

Alien footprints and alien eyes! Jack shouted: "help! Help! Aliens! Aliens!"

He put the sleeping bag over his head and ran into the house. He shouted: "aliens are in the garden!"

Milly laughed and laughed. She said: "silly Jack, he's scared of aliens!"
