

Sid had a sausage shop. He made the best sausage in the world. People came every day to Sid's shop. They went off with bags of his sausages.

Mickey Maloney had a sausage shop too. But the people did not like his sausages. Mickey Maloney's sausages are too little, they said. Mickey Maloney's sausages are too hot.

Mickey Maloney put on a black hat and black glasses. "I'm going to be a spy," he said. "I will see how Sid makes his sausages. Then I will make the best sausages in the world!"

Mickey Maloney sat in Sid's shop. He saw how Sid made his sausages like that, he said.

Mickey Maloney went back to his shop. He made 500 sausages just like Sid's. Now the people will come to my shop, he said. I can make the best sausages in the world.

But Sid put a new billboard by his shop. It said...

Meatballs said to the people, "We want meatballs. We have had too many sausages!" And they went into Sid's shop for meatballs.

Mickey Maloney looked at his 500 sausages. Then he put a new billboard by his shop. It said...

And Mickey Maloney sold his sausages to spies!
