

Henri and Maloney's mother was going on a holiday. Miss Grimble will look after you she said.

Dear Mrs Jack, I want love to look after Mally and Henri when you are holiday.

From Miss Grimble

I hope Miss Grimble is not too old said Mally. I hope Miss Grimble is nit a grump said Henri.

Miss Grimble came in old bus. she had long red hair. she had a purple dress and a big pink hat. And she wore black boots!

Miss Grimble doesn't look too old said Mally. And she doesn't look like a grump. you can't tell said Henri.

In the morning Miss Grimble said What do you have fir breakfast? Popcorn! said Miss Grimble. I am sorry but you can't have popcorn for breakfast

And she gave Henri and Mally big bowls of porridge! Miss Grimble is a grump said Molly.

Henri and Molly went outside. We can't kick our ball said Henri. It is up on the roof said Molly. We'll do somethin elde said Miss Grimble. What can we do? said Henri. Make something said Miss Grimble. What can we make? said molly.

Miss Grimble looked at the backyard. She saw trees and rock. She saw wood and boxes. I know she said. We will make a space world!

So Miss Grimble and Henri and Molly made a space world...

They made rocket and craters and moon buggies and moon caves.

They made moon cakes and moon shakes and purple popcorn and they had a moon party.

Miss Grimble is not a grump said Henri.
