Cherrytree Park To Be Fixed

John and his machines are on the job.A childrens picnic in the park is planned for Saturday.

On Tuesday John took a big machine to Cherrytree park.It went:

Snip,snip,snip

Whoasha,woosha,woosha.

It cut the grass and pulled out all the weeds.The headlines in the paper said:

## Park Playground Is Fixed

John and his machine fixed all the broken things. Every thing works well.

On Thursday John did not work in the park. He stayed at home making a new machine. The people of Cherrytree Town said, the park isn't ready for our children's picnic. There are no flowers and birds and animals. How can we have a picnic on Saturday? Wait and see, said John.

## Cherrytree Park Childrens Picnic Was Place To Be

When people went to the picnic what a park they park was full of animals and birds and flowers.

Every body came. Mums and dads grandmas, grandpas, biys and girls and cats and dogs and John was there with his machines. It was the best picnic in the park Cherrytree Town has ever had.
