

STORY: SCARECROW'S HAIR

Once upon a time there was a scarecrow. Scarecrow was sad.

Farmer said: scarecrow! Why are you sad?

Scarecrow said: I have a hat, I have a nose, I have a mouth but I don't have hair!

Farmer said: Poor scarecrow! I will find your hair.

Farmer put a notice in the newspaper. The notice said:

"Scarecrow's hair got lost. Anyone who finds it, I will give him \$2000!!!"

The people looked at the notice. They said: We should find scarecrow's hair.

The people looked down holes: "Scarecrow's hair is not here."

The people looked under plants: "Scarecrow's hair is not here."

The people looked up the tree: "Hooray! Scarecrow's hair is here."

They gave the hair to the scarecrow. Scarecrow said: "good, good, I have hair. Good, good... I have a hat, I have a nose, I have a mouth, I have hair, but I don't have shoes!!!"
